If an act or occurrence in which I am involved or observe reduces the safety of the Track I will immediately notify the Promoter and warn other track users of the danger and/or increased risk. Should any incident occur in a public area as a result of my failure to comply with the normal circuit rules or a direction given from an official whereby a successful claim is made under any insurance policy relating to the Track and an excess premium or deductible is charged by the insurer of the Track I will if required pay the excess or deductible under such insurance policy except to the extent that it is paid by a third party. Consumption of alcohol or use of any substance capable of impairing good judgement may only be consumed within the designated spectator areas. Consumption or use in ANY competition, officials, marshalling or support paddock area is strictly prohibited before or during any activity.

The management and promoters have the right to expel any person from Queensland Raceway that they consider to be acting in a manner which is dangerous or impedes other peoples' ability to enjoy the activities or causes them to bring a complaint to the management or promoters.

This means crew/team members must wear enclosed footwear with full coverage from ankle to wrist to neck when working on the vehicle or in pit lane. Drivers require a one piece driving suit made from flame proof material. Entrant's apparel and work practices are subject to Occupational Health and Safety legislation when performing work and tasks at Queensland Raceway.

Drivers must wear helmets during any competition. Helmets must meet at least the AS1698 requirements.

Official's directions must be followed promptly and with full compliance. Officials are volunteers giving their time so you can enjoy your chosen activity and shall be treated with due respect. Any driver or crew that has a problem with a direction from an Official shall meet the Official's request and then raise the issue with the management or the promoter.

Vehicles must be driven SLOWLY at all times and in ALL AREAS until they are actually competing or participating in an event. MAX SPEED IN PIT LANE IS **40 KPH** and **10KPH** IN ALL PUBLIC AREAS. Closing time for entries is the latest time an entry can be received and processed before closing on the Friday before the race meeting at the Queensland Raceway office.

There are no fines **BUT** people who behave dangerously are sent home. People who behave dangerously a second time are sent home and have to miss the next meeting as well. People who behave dangerously a third time don't get invited to race with us again.

NO unregistered scooters, pit bikes etc. are to be ridden in the Paddock Area. The Police can fine people for not having a licence or wearing a crash helmet even though it is private property. We suggest its best to leave the bikes at home and let the kids get some exercise.
